“ Dwight "Whitey" Soper

January 30, 2023 at 12:50 AM

“ From Nick Halvorson (Waterloo, Iowa):
I worked in the same "Safety and Standards" Department at the Waterloo John Deere PEC with Dwight. Before moving to a different PEC Department I was part of a team that Dwight lead (non-conforming material). His dedication and leadership was something I recognized. He was always friendly and was helpful to me. I pray that his passing will be full of other memories for friends & family.

Dwight was one of my Soper cousins with who we spent a lot of time with as kids. He was always cheerful and laughing in my memory. One of my best memories was his DL high school basketball team winning the North Dakota star high school basketball championship over Minot his senior year. I watched it on TV. There was a picture of Dwight on the front page of the Grand Forks Herald covering the tournament. He was eating lunch and the picture was him pounding on a catsup bottle getting it to flow. His tongue was out the side of his mouth. It was a close up and stayed on my bedroom wall for several years. I am going to look for it and post it here and to the families. Pray I still have it. So sorry he is gone from here. Know we will see him again 🙏❤️
