“ I'm sorry to hear of the passing of your brother Mark. Prayers to you, Pat and all his friends and family. I didn't have the pleasure of meeting him but he sounded like a real nice person. Remember all the good times that were spent with Dwight.

“ Our paths in life meet up with good folks that touch a person and leave a good mark in our lives. Dwight certainly left his mark on my path and in my life in the short 4 months I knew him. He was a genuine man and I wish I could've gotten to know him better. Rest softly, and rest in peace Dwight. 😞

Our deepest condolences to you Pat. May God bless you and provide you comfort, strength, and peace...

“ *Dwight was such a kind soul. And a good friend. I loved watching
him put up his flag when we lived in the same RV park. I miss our
visits! If there were more kind souls like him in this world, it would be
a better world. Fly free, my friend! No more pain and struggle. Your
memory will carry on forever. Peace....Shae and Natalie*
