“ Condolences to Tony, Ted & family. I enjoyed working with Ed for several years. He was full of jokes and it was never a dull moment when he walked in the office. One day he asked if I'd make him lunch. He wasn't picky & didn't care what it was, as long as it was ready at 12! When the mine changed owners, Ed was the reason I found new employment. Many thanks Ed. Rest easy on that Harley in the sky! 💔🙏
