“ *To the entire Fusci family, I was shock to find that Ed passed away in 2013. I just did a search to see if I could connect with Ed, as we were life long friends from Connecticut and we worked together at the bank in CT. I was shocked to read that passed in 2013. If any family member reads this can you reach out to me to discuss the last few years of his life? We lost touch and I could not figure out why he was not talking to me. Now I am very sadden to see he is gone. My emal address is philipaquilinajr@gmail.com or phone 2032091771. My deepest condolences for your lost. He was a great friend both here in Connecticut and Arizona. Hoping you might remember me when I visited the family in Tucson Arizona.*

Ed was my Victim Witness partner for several years, we shared many stories over that course of time. You were a great partner, a good man and most of all you were my friend and you will be greatly missed.
