“ Edie rode the Wynne Chapel Courtesy Bus for years. What a joy she was. She told stories of her working life that spoke of her sparky feisty spirit and made us laugh. She loved to laugh. One her friend's who also rode the bus, Kevin, had a companion dog he took along. That dog would choose to sit on Edie's lap all during the bus ride. She would take a special towel for her to lay on and always gave her a treat. We will miss this wonderful girl in our lives. Loved her, Paul and Bonnie Vander Hulst, Driver/helper of bus

I too will miss her tremendously. She was my special friend for many years. She called on me to take her to her Dr. Appointments and would buy me lunch at Mc Donald's. She had a very good memory and strong mind. I heard the same stories over and over again but she never said a cross word to me. And yes! I too got many good laughs of her and John Moser. I worked for him when I got acquainted with her. For every birthday and Christmas she gave me lotion or shower jell. She also gave me an afghan she crocheted. I will treasure that as long as I live.

She was a joy to all who knew her. I first met Edie on the Wynne Chapel bus. Loved to hear all of her stories of her life. She had me laughing quite often. A very generous person. I received that lovely lotion as well at Christmas. I also had the opportunity to be a caregiver to Edie a few times and really got to know her. I will miss her.
