Bud was a dedicated husband, and exemplary father.

His smile, the twinkle in his eye and quick wit will be missed.

Elizabeth Ann (Betty) Togie Eyrich 9-11-1933 to 11-21-2017

Betty was born in Cleveland Ohio and moved to Tucson AZ as a child. She was a loved mother and Mimi to her family and a very dedicated teacher and

“ My very first teaching assignment was at Bowie HS in 1982. Even though she taught in the grade school building, Betty Eyrich was a source of stability, sensibility, compassion, and intellect. As a young teacher, I felt reassured and grounded by her professional knowledge and by her invitations to staff get-togethers. Betty was sound, kind, and generous, and I was grateful for her presence.

“ Betty was one of the nicest people I have ever known. I often referred to her as an “Angel on Earth.” She and I taught together for many years and she was my mentor when I first started teaching in Bowie. Betty was a master teacher who inspired her students to do their best and she made learning fun! She was loved by her coworkers and students. She was an inspiration to me to be a better teacher. I appreciate her friendship through the years. My prayers and condolences to Bud, her children, grandchildren, and great grandchildren. Rest In Peace my dear friend. I love you very much.

I am so sorry for your loss. She touched so many people in Bowie.

I was not a student of Betty's at "school", but that didn't stop her from giving me advice. I enjoyed her and Bud coming to the Stage Stop for dinner and visiting with me.

I can remember walking to and from school and passing the apartments on my way. There was a lilac bush that smelled heavenly. I got caught "taking" some of the blooms. She scolded me for a brief moment, but then decided they were best shared with everyone. My excuse was her Mom (Mrs. Toggle) had already given me permission to take some. She laughed and told me that as long as I had asked that was what counted.

My deepest condolences to the Eyrich family. I was fortunate enough to have Mrs. Eyrich as a teacher in both the 4th grade, and once again in 7th grade. She was one of the most caring, and loving people that I have ever been blessed to know. Rest in peace Mrs. Eyrich, your memory will be cherished forever.

My twin brother and I have known Betty since we were in the fifth grade at St. Peter and Paul's in Tucson! We grew up together enjoying so many wonderful times at our favorite school, I watched Betty fall in love with Bud just before she was going to a convent with intention of becoming a nun! This was not to be but she married the love of her life and Bud the same! Our children grew up together and I will always be Aunt Laura to all of them! My heart is with all the family, great consolation is they are together and not suffering with cancer and COPD! I love all the family and my prayers are with all of you! Aunt Laura Loebe
