“ When the Good Lord created beautiful, He used sweet Betty as His blueprint, His divine design, His template to define everything & everybody that came after her. Simply standing in her presence was a brighter, comforting, warmful, generous, hopeful, kind moment. How did God put it in His scripture---"We have entertained angels unaware." Betty was an angel, and indeed, those of us who knew her always thought so. Devoted, support-ive, encouraging, dedicated, spiritual, always a positive word/thought that the future was bright, full of promise. Life here without her will not be the same, but she herself would tell us to not be sad. Look forward to that glorious day when we will meet again, shed tears of joy for reunion, & walk the streets of gold together with Jesus. We love you, Betty. God bless your family. We were blessed to have known you, been with you, worked with you, done the Good Lord's work with you.

*Betty has been sister and friend to for 50 years when we met in Hyder. Are kids grew up together in Hyder. I will miss her for ever. She was a Saint to everyone. Now she is with Jerome her love. And with John, Jody, Harriet, Mike her son, these are some of her old friends from Hyder. She loved her kids and grandchildren so much and was proud of all of them. It will be real hard to say goodbye to her. I loved her dearly as a sister. But will join her some day.*
