“ I have watch this little girl-grow up over the years-i live across the street from this awesome family-watching her ride her bike, cutting her hair for the first time, washing her dog outside in the front yard, walking home from school-from the bus stop, playing basketball with her brother, making the cheerleader squad, buying girl scout cookies from her, sliding down my driveway when it snows etc,etc- What a delight for me to share these moments-She was a gift to all of us, who came into contact with her!!!!!--she will be missed by all!

“ My name is Julianna. Lizzie was a dear friend to me. She was there for me in fourth grade when I was a new student. She made me feel welcomed. I just wanted you to know that she was a great friend. I am saddened and I am sending prayers for comfort during this difficult time.
