“ *To Linda and to all family members, I am extremely sadden to hear of Eric's passing today. I have so many fond memories of Eric over many years at PCC. At a very young age Eric took me under his wing, a great mentor and teacher for me as his electrical apprentice Over the years I continued to learn each day from him as a friend, co-worker and then as my supervisor. My friendship and memories of him I shall always cherish and keep close to me. My thoughts and prayers are with you all during this most difficult time. Rest In Peace my friend*
