

Eric Duncan Hinton

May 8, 1979 - July 29, 2012

Eric Hinton died peacefully in his sleep July 29, 2012 at the age of 33 after years of living in severe pain. He was born in Tucson, AZ on May 8, 1979 to Mary Ann and Ron Hinton and graduated from Wyoming Technical Institute as an auto mechanic. He worked as a mechanic, fabricator, and computer technician at various jobs, as well as being self-employed as a motorcycle fabricator and mechanic. He last worked in the family business that he and his father Ron started as semi-truck owner-operators. Survivors include his mother Mary Ann, father William Ronald, sister Stacey (John) Hadley and sister Holly Hinton, and niece Brittney Budmayr and lots of cousins.

Preceding him in death were his grandparents George and Flossie Yunker, and Dunc and Bernice Hinton. A memorial procession and remembrance service will be held Sunday, August 5, 2012 at the top of Mount Lemon. After we gather together and remember Eric at the top, the lead bikers will scatter Eric's ashes as we exit down the mountain, per Eric's request. The procession will start at 2 PM from the Chevron located on the NW corner of Tanque Verde and Bear Canyon. This is primarily a motorcycle event (jeans and a collard shirt are preferred dress). The family will accept cards Sunday. There will be no public viewing. Please no flowers or gifts per family request.

“ *My dear, sweet friend.... who, even though he was dealing with his own troubles, always wanted to make sure I was doing ok, and always offered to be there whether day or night. Now you're a personal guardian angel, watching over us all. Rest in peace.*
