“ *I'm sorry I just now found out about Ernie passing. Ernie was a very good friend to me while I lived in Willcox and went out with his brother Tony, Ernie and I used to secretly hang out. He was such a card and always made me laugh. I will miss him! Lena, Mike, Chris and especially Tony, you are all in my prayers! I know Ernie is up there cracking jokes and trying to bum cigarettes! Peace be with you all.*

“ Ernie was one of the first kids I met when I moved to Willcox. We formed a friendship that kept us hanging around each other alot. We lost touch for a while and then he was back. I found out he was in Oregon, and ironically I was one town over from The Dalles in Hood River. We both moved back about the same time and then had a laugh about being so close to each other and not knowing it. We had many a good times growing up together even losing our ride home from a concert in Tucson and sleeping on the side of a dry wash til the next day. I haven't been in touch since I moved away in 1989 so I'm sorry to hear my old friend has passed. I'll enjoy all the good memories of times past and I'll be looking for him when my time has come. My deepest sympathy goes out to his family. Richie Fenn

“ I'm saddened to hear of Ernie's passing. He was a great guy, always friendly, always cool. I have lots of memories of Ernie. Even though I've been out of Willcox for decades, Ernie always came up and said hello when he saw me in town visiting. I'll miss him. I hope his family finds some comfort in reading these tributes to him. -- Larry Peterson

Our sympathies to The Davis Family, and to his friends too. I went to school with the Davis boys and they were so happy together and even though we didn't talk much other than seeing Ernie and his brothers in Willcox, I am so sorry to hear about Ernie all the boys were great and they had a great time being a family to his mom and dad. May God Bless you Ernie,

“ I remember the first time I met Ernie in 1982. He came over to the gas station I worked at in The Dalles, Oregon, and asked me for a cigarette. After a few minutes of talking to him, I knew we would be friends forever. At the age of 21, we cut our hands and became blood brothers. Time on earth is very short, so I'll be seeing you soon. Your blood brother, Tony Krueger or as you called me, Skillet.

“ I remember Ernie playing on the Little Dribbler's basketball team that my husband Bill coached - "Shoot, Ernie, shoot" was the chant, because when Ernie was "on" he could hit the basket from anywhere. Love and peace be with you and your family, Ernie.
