“ *Esther, you were the best friend that a sixteen-year-old-girl-from Texas could have had. Your genuine welcome included your precious parents and an open-door policy to your spotless home. ...And helped me feel "at home" once again. I treasure the memories of those fun times of curlers in our hair and listening to the Beatles and all of the Christmas cards and sporadic visits that have followed since then. I'm looking forward to a hug and a long visit when next we meet.*

“ My favorite memories growing up are spending time on the farm with Uncle Dick, Aunt Beulah and Cousin "Ruthie". Esther Ruth, like her parents, was one of the most generous, loving , and warm persons I know. She is missed already.
