“ *I remember Mrs. Pearce as always having a smile on her face. I had alot of good chats with her during the years I was taking care of her yard. She was always so friendly and caring and I will always remember how special of a person she was. Mrs. Pearce followed the lords words and will live the life we all seek in our future. Thanks for being a positive influence in my life.*

“ Aunt Flossie was a very special aunt, she could always make me laugh, I will always remember her kind smile. She was a very happy go lucky lady. Would always just go with the flow when she came to visit. She always sent the sweetest cards and letters. I am so glad we were able to go and see her a few weeks ago. You will live on in our hearts forever.
