“ *Gary was very special to me. Words can not express or describe what kind of a man he was. He and Brenda treaded me and my family with love and respect. I will never forget all that they have done for us. What I will miss most of all where his, "right to the point phone calls ending with, tell the wife and kids hello for me." I am also appreciative of Roy because had he not said anything nice about me to Gary, I would have never been able to meet Gary. (What Gary called the Cowboy Credit Check.)*
