“ I was sorry to hear about the passing of Aunt Gayle. I didn't know her as well as I would have liked, but my memories of her are sweet. She was so beautiful inside and out. She was such a kind and loving person. Her smile lit up the room and her words were warm and comforting. It was so easy to love her. I know that she will be greatly missed by her family. I send my love and condolences to Uncle Elbert and his family.
