“ *Hi Myhre, Richard and Tom, I have been wondering about your mom for so long, My mom died in 1995. They were such good friends. I would love to have seen her again. I hope her later years were good to her. My sincere condolences to all of you and your families. I would have been at the Nisswa graveside memorial but had a wedding to do flowers for. She was a lovely, lovely person. I live in our old home place, next to my brother Bruce out on Riverside Dr. It would be wonderful to see you all again.

“ Dear Aunt Gen,  
You have always been a special friend to me. I saw you in Mankato 3 or 4 years ago when I was visiting for a wedding. You were with your sister at the time and we had a lovely piece of Apple Pie and milk to celebrate our visit. You were still laughing in your special way, and I always loved when you showed me the pictures of the family. They were all grown up and you were so proud. I will treasure that special time. Now you have gone before us, and we know you will be there when we arrive. Until we meet again.

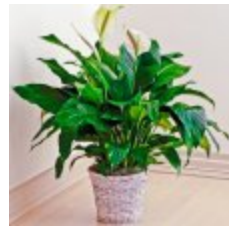

Your Niece,  
Harriet

“ I have limited memories of Aunt Gen. I am the youngest daughter of Emelia Dullum (Amy Wells). I have vague memories of picnics at Uncle Clarence and Aunt Gen's house in Nisswa. I remember visits back to Minnesota and visits with her as a young girl growing up, and I remember her kindness towards my Mom and I. Richard, Tommy, and Myhre, you are in my thoughts and prayers during this time. God bless you.
