“ *We have so many great memories of George. We shared a love of horses and football. I know George will be rooting for the Packers from the other side. We appreciated all the help he gave us through the years with moving (the man could really pack a truck), driving Pat all over Arizona and Nevada, building fence and many more things. He was a true friend and will be missed*

“ *I had the privelege of knowing George for many years. In the last few years, i was his caregiver. Every sunday, i would take him lunch, and do whatever he needed done. I loved his stories.*
