“ *George was a beautiful baby who was taken far too soon from this world. While writing this with a heavy heart, it brings peace knowing that he is now with the Lord, in a place far better than here. The happiness that he brought his parents was beyond words. I can only send my love and prayers to Sam and Nate, yet I wish I could do more. The two of them have the most beautiful hearts I know and it causes me so much pain to know that they're hurting in this dark time. While I can't imagine their sufferings, I pray that God would bring them peace and cover them with a love they've never experienced before. I'm sending all of my love.*

“ *Our Great Grandson was the most beautiful baby, and precious baby. Holding him gave us the most wonderful feeling I could ever ask for. He brought such joy to us, we were blessed to have him even if the time was short. Love you precious little boy.*
