“ *Grandma I'll miss you. I had so much fun with you and learned this great lust for life from you. Thanks for teaching me to treasure hunt, literally and figuratively. Thanks for loving me and Amy. Thanks for making sure you visited us and our home whenever you could. That alone meant the world to me. I hope I get to be remembered like you are remembered... with a lot of laughter.  
Here's to you Grandma Gerry.

“ *I will never forget the fond memories of Aunt Gerry. All the marble games, family reunions and lake outings on "the pontoon boat," she was a one of the most fun people to be around. She was able to effortlessly make everyone else have a good time. Your spirit and generous heart will truly be missed.*

*Love,*

*Rebecca*

“ Gerry, My big sister,  
You brought so much happiness in my life. My earliest memories are of sharing a bed with you and you braiding my hair.  
Then all the good times camping, traveling, playing cards with our husbands and raising our children together.  
You were always there for me during the hard times with your calls and notes of encouragement.  
You would still introduce me as your "Baby sister Ann"  
There are so many stories I could tell!!  
Bye for Now  
I Love you  
Annie
