“ *Dear Family and Friends,  
Gloria Jean and I had been friends since 1985 when Gary and I moved to Cary, NC. GJ was working with the Bach Festive and I became her volunteer. We had a great time working on the contracts and all the details of the Festive.*

*Before long, I joined the American Cancer Society and then GJ's Mom became one of our volunteers...and it was also during that time that GJ went through her own journey with cancer. Many, too many, health issues followed. But through all those tough times, GJ kept going forward.*

*GJ was artistic and talented. Of course, the organ was her instrument of choice. But she also excelled in other art forms and photography.*

*I miss her cute smile, her sense of humor, her "I can do this" attitude, her love of animals, and her friendship.*

*I join you in grieving her loss, but also in celebrating her life. i will miss my friend.*

*My deepest sympathy,  
Betty Greer*
