“ To the Farbo Family and those esp. close to Hannah,

Mr. and Mrs. Farbo you raised an amazing daughter and if there was ever a life cut short it was Hannah's. Nothing can ever replace this amazing young woman, but I just want you to know that while her life may have been short it was full of kindness and the type of spirit that touches so many lives. The type of life many in their 80s have only wished for. I'm not as close to Hannah now as I was when we were kids, but her passing was terrible to hear of. I prayed for her in the hospital and I pray for her and your family now.

I want you to know that Hannah was one of my first true friends in Arizona, and when you are new to a school, a country and feeling very alone that is really special. The kind of gift that only certain souls can give. I will treasure forever the memories I have of playing with Hannah at Willcox Middle School, and of the laughter we shared at my 12th Birthday. She was an Amazing friend, and even though we grew apart I am so very proud of everything she accomplished. Mr. and Mrs. Farbo you raised an Amazing daughter. To the rest of her family and her friends you helped do that by supporting such an amazing Woman.

I know that Hannah ride's in Heaven now, and one day we will all see her again. I'm praying for you all, I know this ridiculously hard.

With Love,

Nicole Secker.
