“ *We have known Harry & Dixie many enjoyable years, more prior to them relocating to Wilcox. Cleo worked with Harry for many years in the Pump Installing business before he and Dixie moved from Eloy, he was a great friend to us both. Our thoughts and prayers are with Dixie and her family through this troubled time, may God be with you all.*

“ *Harry was a big part of living and running the airport. He was the first to welcome us and try to make us feel at home in Willcox. We had our ups and downs over the years but we will truly miss him. He would pop in and give me a hard time about something or tell me a joke or funny story. Ask Jim some question about his airplane and run the mower when he needed something to do. I'm sure I will look up at times, when someone comes in, expecting to see him standing at the counter ready to visit for a while. We send heartfelt sympathy to all the family. We know there will be an empty space no one else can fill. God bless and keep you all. Louise And Jim Walden*

“ Our deepest sympathy to each of Harry's family. He was such a special person. He and Pete loved to discuss flying and even took a few rides together. They liked to fly off somewhere for breakfasts, and always had such a good time. Harry always had a smile on his face, and in all the years we have known Harry Myers, he was always a happy man that loved his Lord.

*May he rest in peace, and may each of you be comforted in this time of your life.*

*May God give you the strength that only He can provide.*

*I have become friends with Harry through Jim and Louise out at the Airport and always enjoyed Harry's smile and stories. We spent time in his hanger just talking and looking at his plane. He will be sorely missed Tom*
