“ From being part of introducing you and Gayle I have greatly enjoyed having you for a friend. Being around was a great joy. I will always remember the joy you found in simple things-- nature, food and family, the love in your eyes when talking about Morgan, the love and joy when you looked at Gayle, your happiness signs Crazy Train, the warm welcome when we visited. You were truly a great friend, what better memory than that. Gary and I will miss you greatly. We promise to try to take care of your "speckled pup". Until we meet again friend. Gary and Mitzie.

“ Henry I'm sorry for causing you stress and turmoil you were the greatest dad I've ever had. I hope to be half the man you were. You taught me so much in the time we spent together. You showed me how to be level headed during the most awful circumstances. You showed me something's aren't worth stressing about but that doesn't make losing you any easier. You were my mom's rock and you treated her better than any man before you. I wish I could take your place so that you could enjoy your retirement and have a few more years with my mom. I love you and I will miss you so much dad. I hope to see you again until please look over my mom from heaven the way you did here on Earth.

“ *My dear brother in law Onrey. I miss seeing the smile on your face riding your bicycle. I love that you had so much enjoyment doing the "RVing" with Gayle. Thank you for sharing the experience with Cash and I. Memories I find bittersweet. For knowing the plans we all made will not come to past without you. I love and miss you Onrey. I ask God to bless you and hold you close with his love.* 🙏💕
