“ I can't find the right words to express how heartbroken I am to hear of the passing of my Auntie Tenchie. I have so many happy memories spending time with her growing up and now as an adult. She was always laughing and joking. We loved a show many years ago so she started calling me Kelly for I think over 25 years too, it was our inside joke. My family and I will love her forever in our hearts. Our deepest condolences to all the family. With love, Angela Paredes-Fernandez & Family
