“ Hunter I remember when you first moved to Tucson and needed a job and I put you to work at the truss plant so you could get on your feet. You were so happy to have steady work and you were a hard worker. I feel proud to call you my little cousin. You will be greatly missed.

“ Hunter, I met you a long time ago when you were little and you came to Wisconsin for a visit. You probably don't remember me. I am a life long friend of your Dad's and followed your life's path through conversations with him. He always kept me up to date on the family of which he was most proud. I look forward to meeting you again where the sidewalk ends.
