“ My condolences to the family. It seems far too soon for Darrell to be called home. As I stood there today at the service, I realized how fulfilled his life had been. He loved his children and grandchildren so much and was so proud of them. He loved all of his family. That was Darrell, that was what he lived for.

Darrell, my friend, you will be missed. You were like a brother to me, and I thank you for that. Thanks for all the times you gave me a ride to town and let me tag along cruising Main. Thanks for all the good laughs - boy, did we have some good laughs! Thanks for making a point to check in with Dad through the years and to get my phone number to call and catch up and boast on your children. We sure have come a long way from those days as farm kids out in Bonita. Yes, Sir, your life was complete and you can rest in peace now. Till we meet again . . .
