

## James "Jim" E. Tout

August 15, 1930 - October 7, 2017

Jim Tout

August 15, 1930 – October 7, 2017

Jim Tout saddled his final horse here on earth for his journey to heaven on October 7, 2017. Jim was a dedicated stockman, husband, father and friend. Jim's knowledge of the cattle industry was vast and ever developing. Jim believed in hard work, honesty, dedication and the power of a hand shake. Jim touched many with his kind heart and giving attitude. He gave 63 years to the cattle industry and never stopped reaching for better, easier ways to make a profit on as he called them "The cow brutes".

A celebration party will be held on December 2, 2017 Willcox Elks Lodge at 4:00 pm.

“ James "Jim" E. Tout

“ My father in law. From the first in depth talk with him, to the last, three days before his unexpected death, Dad was always thoughtful, interested and loving. He got a kick out of me, a city girl, interacting with the ranches and animals. I begged to go riding with him when he was "looking" at the cattle. Of course, my only experience on a horse was riding nags along the river banks in Orange County California! I got my education on riding the range. Scrambling up the side of a ditch, the horse took me under the limb of a tree, scooping me off in a most embarrassing way! After making sure I was in one piece, he had a good laugh at my lack of directing the horse! For the last almost 36 years he has been my only Dad. I miss him!

*I had the pleasure of working for Jim in 1988 on the ranch that was called, at that time, Rancho De Los Nietos. I learned so much from Jim about raising cattle, and about the cattle business. I have many great memories of laughing with Jim, whose sense of humor was legendary. Jim was quite the historian as well, and I remember riding horseback, and learning many things about Cochise County history, that was truly fascinating. Jim knew the right way to do a job and was careful to teach while we worked. Being a young bachelor and not knowing how to cook, Jim and Peg invited me to eat lunch with them nearly every day, which was always delicious and always seasoned with hilarious stories, some of which I still remember nearly 30 years later. It was a true honor knowing Jim Tout. My prayers are with the family, and feel blessed to have had the opportunity to know Jim. A good friend, and a great man.*
