“ I was saddened to hear of Jeanne's passing. She was something of a mentor to me in my own writing career. I had the privilege of interviewing Jeanne for a profile for *Vegetarian Times* way back in the 1980s and we remained friends. I admired the way she tackled environmental politics and militarism, culture clashes, and animal welfare in her work. Our world is less for the loss of her talent, her conservation efforts, and her vivacious spirit. Dianne Ebertt Beeaff
