“ *Jerry always told me he was put in my life for a reason. Looking Back Now I understand. He protected me, he taught me how to believe in myself, to do things I didn't think I could do. He stood by my side 100% through bad or good, not once judged me and always make sure that I had everything I needed. The things we shared and time spent with each other were endless. He was my inspiration, he was kind, patient, loving. Jerry as i sit with this hollow feeling in my heart, i know it eventually will fill up again yet it can never be replaced with the love that you put in it. Your free now, get on your bike and ride. When you do look behind you ill be there. Michele*

*He was my biological brother and I just found out through 23andMe.
Does anyone know how to get into contact with his brothers?
