“ *Me and my siblings had the privilege of growing up with the Nieto kids, playing sports with them and going to school with them. Mr. & Mrs. Nieto were always there at all the ball games, cheering on their boys and all the other kids. I don't remember ever NOT seeing them there, and being greeted with their smiles and happy countenance. They were, to me, part of what we could all rely on....to see all of our families together rooting for each other's kids, as one big extended family. I will miss seeing Mr. Nieto, but am blessed to still be able to see the legacy left behind through their children and grandchildren. God Bless the Nieto family during this time of loss.*
