“ I was sad to hear of Joann's going on ahead.
✝ Heaven gained a beautiful person, those who knew her here will certainly miss. Although I did not know her that well, she had a way of making you feel she knew you well. She made you feel comfortable around her and loved. Will miss seeing her on my trips to town. My condolences to Dale, her family, and her church family.

“ I have been attending Harvest Ministries for about a year or so. During this time I got to know some about Miss Joan. I found her to be an elegant, kind, and gentle person. She was soft-spoken. I loved her much. I pray that God brings comfort to all of her family. She will be greatly missed.

“ Joan was more than just a sister-in-law to me! I thought of her as if she was my own sister. My life was better because Joan was part of it! I will treasure the memories forever!! I always loved it when she took my side over Mike's. We had such a good time when she & Dale would visit us in Omaha or when we would visit them in Willcox. I will miss her until we meet again in Heaven!!
