Joan and family, your mom was always so much fun. I'm sure she is in a better place now that she can watch over all of her family from heaven. Maybe she'll meet my husband and they can tell stories about me. Your mom can tell many a story about you me and Rose. We gave her plenty of ammo. I hope they have baked beans with mayo and mac and cheese up there because hers was the best. GOD BLESS

“ Dear Joan,
When we talked I always felt how much you loved your mom and how much you cared about her.
In this sad period I am glad that you were with your mom when she passed away and that you witnessed she had a quiet transition and left in peace.
My prayers to you and your family.
