“*Joann was a very dear sister in law, wife of my brother Robert. The times we did get to spend with her were a lot of fun and very memorable of her endless energy! There was no task she was afraid to tackle! We are so sorry to hear of her passing. Our deepest sympathies to Desa and Mike and family. Now that she and Robert have "wings" we hope they traveling the world like Joann wanted to do. ❤️ With our love, Charlotte and Bob Radcliff*
