“ *My cousin Joel - I came across this photo today & felt it was deserved to be seen. I remember when you came over during the holiday & your brought a bucket of rattlesnakes to let loose in the desert. Another memory of you coming over for your birthday. I wish more time was able to be spent together. I hope you're at peace now and have enjoyed your time up there. We all miss you Joel, I'm sorry life wasn't always fair for you.*

“ *Joel, I will probably miss you more than anyone. You were like a son to us. Trouble seemed to follow you, but we always seemed to talk it through. I think God opened our shelter just for you, and to allow us to meet you. I will always remember you! Rest in peace! We love you bunches!*
