“ Aunt Juanita was a really awesome lady. She is the mother of my 3 beautiful cousins, Aundrey, Charlette & Norma! We used to have so much fun at their farm when we were kids, climbing up into the big cotton combine & playing with kittens in the barn. We had lots of family gatherings with all Juanita's brothers - one of which is my father, Robert Forsyth. He passed away in Jan 1992. No they are all together with their parents and others who went before them, Joe a few years ago and her brother Byron, just a few days ago. And now she can be with her mother and father too!

She always worked hard and loved her family, kids, grandkids and great grandkids!
