I knew Kelly since 1974, met on Main St. in Mesa, AZ when my best friend Kim Wray and I were cruising. He could be the biggest 'big brother' type pain in the butt, then in the next minute kind and understanding. One big enigma. Really enjoyed when he performed his song 'Strawberry.' Very talented musician in the vein of Neil Young. A musical favorite and strong inspiration of his. RIP Kelly. Thanks for being there for Kim and a butt head to me. Miss you.
