“ *Ken was a kind gentle man, who worked hard all his life. He was happiest when he had some kind of project to do, whether it was building, landscaping, stone work, he could do anything. We had 23 wonderful years together with adventures & creating beautiful homes. I will miss his presence, & planning our day together. Babe, I know you have your wings.*

*You are right. Your home and yard are wonderful examples of all of Ken's talents and skills. You must see him in everything he's done since you bought that house. It's beautiful and such a legacy.*

*I doubt Ken ever had a harsh word for anyone.*
