“ Kim, although you will not read this, I know you know that you were a very bright light!! I can't think of a time you weren't smiling! I remember when we met in 8th grade, you had just moved to Willcox from New York...we loved your "accent" and you were always making us laugh! You became such a instant "hit" with all of us!! Next we played bobbysox softball together...to this day my mom and I talk about how funny it was when my dad (who was our coach) said to you..."Kim take the first pitch", when you got up to the plate you "took" it and hit it over 2nd base...after you scored, my dad went up to you and said, "Kim, I told you to take the 1st pitch, you said I did, I took it and hit it Mr Moss"! That had to be one of my dad's favorite memories!! As for me, Kim I will always remember all the good times we had and we had many!!! Kim, I know you are at peace now and I also know that you are not alone, you have many wonderful people to keep you company and that gives me peace of mind...Love Always Jeris

Dear Dunlap family and extended family, I am sending my deepest condolences to you...I just heard about this and I am so sad by this news... My heart breaks for you all!

“ *Kim, I have always loved you girl. And I have always missed you over the years due to the miles apart but just as you said the last time I was home no matter the miles, months, and years our friendship never changed and we could pick up where we left off and oh how I wish I could know I would see you again the next time I am home or want to give you a call. I know every time I was home, you always made time for our quality visit no matter what was going on in your schedule. I will cherish our many heart to heart one on one talks through out the years and tho God had different paths for us to take in the 80's my love for you never waived even when you did get married and I had to come to Texas alone when you promised if I stayed till you graduated you would come too! :) I wish I could go home and pay my respects but it is not possible at this time but I know you, Darren and your family understand that my heart is there for everybody and I love you and am so going to miss your bubbly spirit and our friendship and remember....you will always be my little sister cuz yeah....I am a little older! LOL Bye for now....*

Darren, Lacey, JD, Carol and family I love you and am soooooo sorry and my prayers are for all of you and I trust God will carry you through this dark hour.
