“ Kim was always one who looked forward. She did not deny that sad things happened, but she knew a person did not have to stay there. She encouraged the students and the staff. Just knowing her made life brighter. She will be missed, but we will honor her life by looking forward.

“ To Kim’s family: I am so shocked to hear of Kim’s passing. Definitely too soon, she and I are the same age. I remember from growing up in Puerto Rico. Much love, and thoughts are with you. Warmest regards, Laura Delano Duncan (Lali)

“ *What a blessing you are, and always will be!
It is the life you lived, and the lives you impacted for the better, that I
will focus upon, for the love you brought to so many is a wonderful
distraction from the sadness.
All our love to you always!

“ We definitely shared the “horse thing.” I have great memories of getting horses from Arapahoe Park Race Track and learning natural horsemanship together. Happy Trails, ride like the wind.

“ Kim was a great friend at school for many years. She had so many plans and was so excited for her retirement years. I'm so sorry she didn't get a longer time enjoying her new life. I will always remember con trails vs chem trails. RIP my friend.
