“ Having known Larry for several years, the first thought that comes to mind is that he always made me laugh! He always seemed so comfortable with himself and even a bit flirty, but only to make me feel pretty, not in a bad way at all. I will miss his wit and the way he cared about our community. Sue and Larry always brought a smile to my face at the Lions Club meetings in Sunsites. Our community is a bit smaller with Larry gone, though we will continue to honor his memory by supporting our little part of the planet.
