“ *I've loved you all my life Larry.  
Thanks for watching over me all my life. I know you will continue to be here with me and for me.  
I will miss not being able to reach out to you and I'll miss all of our childhood references that only we found funny.  
I'm happy that you found your place out there in Bowie and I know a lot of the people out there held a very special place in your heart especially at work.  
I wish you forever peace with Mom and Nana.  
With love,  
Rick*
