

Lester P. Locke Jr.

December 12, 1937 - March 9, 2021

Lester Phillip Locke Jr., 83, of East Fargo St in Pearce, Az., passed away on March 9, 2021, at his home. Lester was born on December 12, 1937, in Lewiston, Maine. The son of Lester Phillip and Else (Johnson) Locke SR. Lester was a retired US Navy gunner mate. He was employed by the Maine Turnpike Authority for 20 years plus. He moved from Westbrook Maine to Arizona back in 2000, to enjoy warmer weather. He was an avid outdoorsman who enjoyed landscaping, hunting and mountain climbing and exploring any trail that seemed to be in front of him at that time. He had a great love for his cat, Apache. Recently, you could find him most days watching any western movies on tv, especially Gunsmoke. He had another passion he liked to drive to the "Village" to see if there was any excitement going on or just to talk to all of the locals. He loved country music especially his look alike Willie Nelson.

He is survived by his four children, Lester and Roxanna P Locke III, of Wiscasset, Maine; Patrick & Paula M Locke of Casco, ME; Suezette Locke of Buffalo, NY; and Sherri Desmarais of Freedom, NH. His former wife Margaret with whom he had five children. He leaves behind 13 grandchildren and 17 great grandchildren.

He is predeceased by his wife, Shirley, his parents and his son Steven.

“ *You always think you have more time! One more chat on the phone, one more email or one more visit and then it's gone. The tears and choked up sound in the voice just pop up when you don't expect it. My heart like my moms and my siblings has an ache and hole in it. One of my fondest memories is hiking way out into the woods as a child to cut down our Christmas tree and stopping along side the road and hiking into the woods to find a stream and cast a line to catch a fish. I will cherish those memories and will cherish the last five years that I really learned the most about you. I hope you are walking hand in hand with my little brother Steven and laughing with each other!*

RIP DAD

I will always love you and miss you!

“ Les used to work at the Maine Turnpike with my Dad, Eddie McNamara, many years ago. They were friends also, I remember him coming to our house in Yarmouth. I actually ran across a picture of them recently. He had this light blue truck, maybe a Turnpike issued one, not sure, but they were leaning over the hood smoking cigarettes and having a chat. I remember him coming over often back then when we lived on East Main St. in Yarmouth. I always thought he was a good guy. So sorry for your loss, my Dad passed back in 1993, and it still stings.

“ We had some good times and some not so good times - I will only remember the good times. We had five very special good children who fortunately inherited your athletic abilities. You will always have a special place in my heart. Rest in Peace.

“ I have learned a lot from you over the past twenty years. I learned from you that you should never hold grudges. I will miss our talks in the living room and you turning to Patrick and saying "What she say, and Patrick responding i don't know" and you both crack up laughing so hard. i was surprised when you said to me always speak your mind. I know i wasn't you biological daughter but i felt like you treated me like one. I will always remember the swimming in the pool, walking on the trails and just the creatures that we came across. Rest in peace you will be forever in my heart. love you
