“ *Thank you Aunt Linda for being part of some of the best memories of my childhood. You were kind, patient and very creative. You always had fun crafts and things for all of us kids to do. I'm so grateful for that time with you. You never know the impact you can have on a person's life with those small gestures of love. You were a good aunt and a very good daughter and bestest of friends to grandma, whom I know is overjoyed to see you again. I wish I would have had the opportunity to know you better in my adulthood but I'm especially grateful for the time I had as a child. I love you. May you transition with ease and grace. May Archangel Azrael guide you and bring comfort and peace to all who love you.*
