“ Our prayers for peace and comfort to Linda’s beautiful family. I didn’t have a large quantity of time in Linda’s life, but the time was of IMMENSE quality. We ate, thrifted , shopped, laughed, cried, and prayed together. I am blessed that our paths crossed and Im blessed to have known her, loved her, and to count her as a friend. Linda is at home with Jesus and she can fully see his wonderful face! In her own words, just a short time ago, “It is well with my soul!” Welcome to your eternal home, dear Linda. I know without a doubt that you heard, “Job well done!”
