“ Oh my sweet friend! How I miss our days of being teacher's assistants at the WMS, and then getting to know you even better at the high school when we would meet after games to count the money... When you let me know through Facebook that you had ALS it broke my heart. How I wished I could be there! Then when I tried to call you and you let me know that you couldn't talk....I just wanted to be there and hold you! You did let me know that your sister-in-law, Carol, was taking good care of you, but still, I just wanted it to be fixed...knowing that it wasn't to be... You touched the lives of all you met, especially all of the children that you were with in the classroom for so many years. It takes someone special to do all that you did for them and the staff that worked with you. What a legacy you have left for us all with the unselfish way you lived your life! I will miss our talks and walks, dearest one! There is a big hole in our lives since you are gone! I just want your family to know how much you meant to me...how much you were loved! Rest in Peace...”

My heart can not explain all the wonderful times I have had with Linda. I worked with her many years at Willcox schools and they were the best times of my career. How us ladies laughed, cried and shared so much of our lives with each other. (Linda, Dosie, Karen, Sandy and Jan) Tell Dosie Happy Birthday for me Linda! I will truly miss you.
