“ *There are so many memories of this lady, I hardly know where to begin. The years that she worked at the Willcox post office. Such a wonderful person. Always had a great "hello, how are you?" and a big smile on her face. When I stopped to see her in the nursing home, we always had a really good visit. We will miss her, and the memories she left us were over so many years, we will always be grateful to Lois.*

To the family: Our prayers, love and thoughts are with each of you during this time of loss. May God grant you peace and comfort. You are such a great family and give so much to the community. Thank you. And God bless each of you.
