“ Lorena! I had the pleasure of knowing you since you were born. You had such a spunky personality. Such a loving caring young lady. A loving babysitter to my boys. A great coworker. I remember our convos about how you wanted to work for the FBI. How you would light up hearing my traveling stories and express your desire to get out in the world to explore all on your own. We've shared so many good times and all the sad stories don't top this. 😭 I'm so hurt right now! My love goes out to your mommy Claudia and rest of your family. Thank you for all the times you took care of my sons ❤️ You had a unique smile and a mischievous laugh! Going to miss you!!

“ I am so very sorry for your loss. Gaby mija, please know that our hearts and prayers are with you. We love you so very much. I know there are no words that can help ease you and your family's pain, but please know that you are not alone. Give your mom a hug for me. I didn't spend a lot of time with Lorena, but the few moments I did showed me how wonderful she was and are now memories I will treasure always. □

“ *My sweet Lorena,*

*Today, when I woke up the world was a much duller place without you.*

*There were no mischievous pranks, no infectious laughter, and no shocking jokes told.*

*You had an uncanny ability to make others around you laugh, even without words.*

*I was blessed to have known you - if even for a short while.*

*Many tears were shed today and many adult beverages will be had tonight.*

*I don't know if we will ever begin to understand why the Lord called you home so early. Right now, I can only speculate heaven must've had an opening for a sassy - good lookin' - motorcycle riding angel*

“ Lorena always lit up the room with her presence, her jokes, her pranks, her laugh, her everything. I got to know and love her like a daughter. She would do anything for her family or friends. I could always count on Lorena for anything. I will cherish the little notes she left me on my desk and all the memories she left me with! I love you, Lorena (mi Nena)! RIP mija!! My prayers to her beautiful family. Mi mas sentido pesame, Roberto, Claudia, Gaby, Uriel, Haidee. Dios les de paz durante este tiempo tan dificil.
