“ Lottie's smile was the first thing so many WHS students saw. She made their lunchtime memorable and pleasant. She did the same thing for the staff. Those of us who were born and raised in Willcox, like Chris, have even more good memories of her. What a sweet and special lady. Chris & Skeeter Jensen

“ Tommy and Lottie's son, Billy, were roommates at NAU. We shared this very rough time with her when Billy died in Vietnam. When we moved back to Willcox, we lived just a mile down the road from her, and bought fresh milk from her. She was such a joy to visit with anytime. We dearly loved this precious lady. She and her family are in my prayers.
