Billy said to tell you all that he loves you and that he is so sad about this. He says Lou Jean was a great person and she will always be in his heart as his family. He has so many memories of yall when you were growing up and he says he even took you all to Arizona, but wished he had always been closer in miles so he could have seen you all more often. He said prayers are with you all as a trying time of her celebration of life today. He says Lou is now up with the family, walking those streets of gold and praising Jesus all day! God be with you all, Love, Billy and SheriL

“ *Lou was EVERYTHING to me. EVERYTHING!!! Her life was a testament to all things good in this world. In spite of pain or troubles that came her way she courageously faced every battle with grace and dignity. Her first thought every morning was "How can I make someone else's life better today?" She was my spiritual advisor, best friend, and confidante. I will miss her ALWAYS!!!*

She was a beautiful lady with a beautiful smile. She was so full of love, and although I was unable to spend as much time with her as I would have liked, the time I did get to spend with her was cherished. She had a way of making people feel at home and loved. I will miss you.
