“ *My heart is beyond sad. Louie has been a friend of the family since before I was born. 25 years ago he became part of my family! He was a special part of our lives! He loved me like a daughter, my boys as his grandsons and most of all he loved & cared for my Mother. Mom loved him & cared for him with all she had. They shared many fun times. From watching Jena's softball games, to enjoying grandkids. They were always looking at ways for ways to fix different things around the house! I knew when I would drive up he would be on the back porch with a ball game on tv & a crossword puzzle being done! Louie always had a smile on his face, a laugh that was contagious & always a silly joke to tell. He loved his family with every ounce in him! His love for ASU was crazy! I always knew I'd get a call or text when they played UofA! I will miss this.... Louie, I pray you are happy, healthy & healed, sitting next to our lord & savior! I love you more than you'll ever realize & I will miss you forever! God Bless you!!! God Bless all the family!*

“ As I sit tonight I am reflecting back on all the fun. We always had our little jokes against mommy. Haha. “Her way or the hi way and I’d tell you HI WAY HI WAY!!!!” Haha fun memories. At this time of year you’d send pictures of the many lights decorating the yard and house for Christmas. This year the house is not lit and quiet but I’ll treasure our memories. I love you Papa. 🌟🙏🇺🇸🎄💙
